Hanka Milotová

Junior Frontend Developer

Former Senior Project Manager with a history in Graphic design, Artwork and Print management looking for an entry-level FE Development job with an opportunity to grow.

Can offer both agency and corporate environment experience and enthusiasm. Love the magic, keen to learn!

MOTTO: Find the way "how to" instead of a reason "why not"!

Tools and technologies

- **HTML** – valid, semantic and accessible code
- **CSS** – Flexbox, CSS Grid, custom properties, BEM methodology
- **JavaScript**
- **Git** and **GitHub**
- **Bootstrap**
- **Adobe Photoshop, Inkscape, Figma, Zeplin**

Projects

Pexeso

Memory game in vanilla JavaScript with 3 levels of difficulty. Designed the page, used a CSS grid for layout.

hankaesha.github.io/pexeso

Static personal web

A static website serving as a personal portfolio.

Designed the responsive page, used semantic HTML, and CSS and Flexbox for layout.

<https://hankaesha.github.io>

Café website

A responsive multipage website of a fictional coffee shop based on a provided graphic design. Built on Bootstrap 5, using SASS and Nunjucks templates.

hankaesha.github.io/generic-hipster-coffee

FizzBuzz

A Javascript based solution of a well known FizzBuzz test – a generator of numbers showing the multiples of 3, 5 and 15.

Employment history

Project Manager (1 year)

SGS Co. (worldwide Print Management Corporation)
Remote home-based position.

Managed an EU project within the international core team, interpreted among all parties – across disciplines, languages and cultures.
IT support for CZ office – co-ordinating solutions of network issues and HW problems.

Thanks to this job and also having children **I became organized and a good problem solver.**

Senior Account Manager (6 years)

SGS Europe (worldwide Print Management Corporation)
Remote client's side based position.

Ensuring client service for the corporate client (Mondelez) across 3 countries.
Responsible for leading 30–80 parallel projects, managing all parties, keeping costs and timings. IT support for CZ office.

My ability to work independently but as a part of a remote team developed during the years spent working remotely.

Account Manager (4 years)

Fiala&Šebek s.r.o. (CZ Graphic Design Agency)
On-site based position.

Dealing with strategic FMCG clients, managing diverse projects: packaging design, sales support materials, internet and TV advertisements, web design.

Leading a team in an international environment helped me to understand people's diversity and develop the ability to communicate.

Soft skills / hobbies

Programming, ice-skating, music playing - always **giving it 100% focus.**
Several free-time activities (horse or motorbike riding) taught me **patience and self-motivation.**
